EA19

Thank you for purchasing the Entel ear-piece microphone. With care, this product should provide years of trouble free use.

FITTING

Place the D-shaped shell earpiece comfortably and securely over either ear, with the boom microphone positioned directly in front of your mouth. Clip the PTT button at lapel height, about 10 cm away from your mouth.

OPERATING INSTRUCTIONS

- Press the PTT button to transmit and release to receive.
- Speak normally, do not shout directly into the microphone.

IMPORTANT

Always switch the radio off before attaching an audio accessory. Models that are certified to ATEX & IECEx have been clearly labelled. Should, in the course of use, any labels be removed or become illegible please return the accessory to Entel for relabelling.
